

DIVERSITY IN CLIMATE TECH - ATLANTA

Submission Title

Diversity in Climate Tech - Atlanta

Team Name

Diversity in Climate Tech - Atlanta/Chloe Capital

Team City and State

Ithaca, New York

Short Description

Diversity in Climate Tech – Atlanta is a hyper-focused accelerator program that will efficiently drive capital - relationship and financial - directly to venture-track clean energy and climate tech entrepreneurs through a service-oriented, community approach. The proposed project utilizes extensive networks, community partners and connectors, and media to effectively engage and support disadvantaged communities in enabling a just and equitable transition to a clean energy economy.
