

# **Barrio Eléctrico**

## **Community Markets for Affordable Solar**

### **Location: Isabela, Puerto Rico**

#### **Team Information:**

Team Lead Name: Jorge Gaskins

Team Member 2: Natalí Rosado

Team Member 3: Sylvette Román

Team Member 4: Joan Asencio-Yace

**Video Link:** <https://vimeo.com/680915485>

#### **Short Description:**

Barrio Eléctrico creates community-based marketplaces that solve the barriers to delivering affordable, accessible solar+storage to LMI communities. These marketplaces strengthen community institutions and local energy intelligence, putting communities on the path to redesign the future of their own electric service.
