ACADEMIA

UNIVERSITY OF PUERTO RICO MAYAGUEZ EMPOWERMENT FOR ENERGY EQUITY AND RELIABILITY

COMMUNITY

INDIVIDUAL

Barrio Eléctrico is launching its first project to create community-led marketplaces for affordable solar+storage residential systems.

IEI Prize funds will support tracking and measuring our success in engaging communities in the mission of resilient power for all.

## Isabela, Puerto Rico

~43,000 persons ~15,000 homes 55.7% below the poverty rate
