

Inclusive Energy Innovation Prize

COMMUNITY CLIMATE IMPACT PLAN

SUMMARY SLIDE

COALITION NAME: THE ELEMENTS COLLECTIVE SYSTEM (ECoS)

The Elements Collective System (ECO System): a coalition of diverse, community centered, action driven organizations with parallel missions of social and environmental justice through advocacy, activations and education. Our forces converged to recognize the power of leveraging our networks to enhance our reach in Atlanta, GA and surrounding areas.

ECoS is composed of 5 “Elements”; organizations which represent a natural element.
