

## Auxihome CommunityTech

### Team: AuxiHome Community Development Corporation

Founded in 2019 and 501(3)c non-profit November 2021, AuxiHome Community Development Corporation is developing an ever-growing set of tools that use new, practical, and transformative technologies for equitable community development.

In 2019-20 AuxiHome Community Development Corp. developed AuxiBundle, which utilized simple language, step-by-step instructions, local government partnerships, local businesses, and property owners to build value-engineered net-zero backyard homes.
