

EmPOWERED

— New Jersey —

The Urban League of Essex County, in partnership with the African American Chamber of Commerce of New Jersey and PSEG, working together to create a continuum of opportunities in clean energy for members of disadvantaged communities.

Short Description:

EmPOWERED New Jersey is comprised of two respected nonprofit organizations that serve underserved minority communities and the clean energy training unit of New Jersey's largest utility, Public Service Enterprise Group (PSEG). EmPOWERED New Jersey, brings our shared dedication to improve economic opportunities for traditionally disadvantaged populations together in a mission to create a robust pipeline of qualified individuals and small businesses from minority backgrounds to help implement New Jersey's transition to clean energy.
