

Hossein Sojoudi's challenge details for challenge:

Solar Prize Round 6

Generated at Wed Oct 05 2022 16:52:10 GMT-0400 (Eastern Daylight Time)

Explanation

Looking for partners to help with scalable production of the coatings we developed .

Also looking for partners that can help with developing business model and identifying market entry points .

Key Needs

- Strategy (4 / 5): Require team members with developing strategies .
- Utility Scale (5 / 5): Utility scale solar sector is our immediate market and require contacts for testing the prototype .
- Testing and Validation (3 / 5): Solar power plant operators in different snowy regions are needed to verify effectiveness of the developed solution nationwide .
- Marketing & Promotion (4 / 5): In need for experienced individuals for marketing and promotion to residential solar sector
- Legal, Insurance, and Public Policy (4 / 5): Require assistance for IP protection
- Robotics (3 / 5): Required for potential scalable production of the coatings
- Fabrication & Prototyping (4 / 5): Experts in scalable fabrication and installation are needed .
- Business Development & Commercialization (4 / 5): To develop the business plan and proper commercialization strategy .
