

Doug Thorpe's challenge details for challenge:

Solar Prize Round 6

Generated at Wed Oct 05 2022 18:55:19 GMT-0400 (Eastern Daylight Time)

Explanation

We will need assistance from American Made Connectors :

1. In raising funding for expanding business , procuring equipment , and operating capital .
2. To make news of a domestic solar panel being manufactured by former coal miners in the poorest town in America go Viral .
3. To find local sources for glass , PV cells , EVA, and microinverters .
4. To provide independent evaluation of panel performance .

Key Needs

- Procurement of Raw Materials (4 / 5): A company can not survive that must rely on China for all of its supplies, must find domestic sources.
- Marketing & Promotion (4 / 5): I have no idea how to get the word out on our product and company.
- Testing and Validation (3 / 5): No one will believe the performance of our product without independent validation.
- Funding & Investments (5 / 5): Without adequate funding, we will not be able to expand.
