

A construction worker wearing a white hard hat and a high-visibility safety vest is operating a robotic device. The device has a long, thin arm extending upwards, ending in a camera lens and a bright blue light. The worker is looking up at the device. The background shows a brick building with a roof and some greenery.

FLX SOLUTIONS

**INNOVATING ROBOTICS WITH THE FLX BOT
DESIGNED TO KEEP WORKERS SAFE WHILE INSPECTING
& MAINTAINING DIFFICULT TO ACCESS SOLAR PANELS**
