

Saving Neighborhoods by Saving Energy

A Detroit coalition to provide energy efficient home repairs and upgrades to owner-occupied homes

Who we are

Our coalition is five neighborhood associations, one community development organization, and Detroit's gas and electric provider: DTE Energy

Our Plan

1

Criteria

Establish program policies and eligibility criteria

2

Outreach

Engage the community and identify family in need

3

Audit

Partner with DTE Energy to perform home energy audits and evaluations

4

Upgrades

Complete repairs and upgrades

5

Evaluation

Assess new energy efficiency
