

A Women-led Clean Energy Workforce in Missoula, MT

*A new coalition working **with and for low-income women and women of color**, diversifying the clean energy workforce and increasing access to **family-supporting careers**.*

We're leveraging incredible **wraparound services** for low-income women and women of color at Mountain Home Montana – from childcare to stable housing to this new **apprenticeship program** to build a bridge for women to enter the clean energy economy, increasing access to economic prosperity and developing the **workforce needed in our community**.

Supporting Partners include: City of Missoula, Montana Department of Labor and Industry's Apprenticeship Program, Montana Renewable Energy Association, Missoula College, and Blue Green Alliance.
