

# Regenerating Lansing

The coalition's goal is to bring justice to our local economy through workforce engagement, centered around innovative clean energy projects.

## Key Partnerships

Community leaders and experts are ready to join us in our projects to gain new insights into the broader community. By opening the dialog across more stakeholders we will better serve our community.

### TA Forsberg

Forsberg is a commercial and residential development firm focused on creating spaces that encourage a sense of community and belonging. Forsberg takes a wholistic approach in doing so. Founded by an ALICE PhD candidate.

## Broader Adoption

### Greater Lansing Hispanic Chamber of Commerce

The Greater Lansing Hispanic Chamber works to be a community resource for workforce development and business education in the Lansing region.

### Capital Area Michigan Works

Capital Area Michigan Works! is a network of resources for employers and career seekers. We partner with businesses to develop recruiting and retention strategies, and we partner with job seekers to enhance education and career opportunities.

## Project Based Innovation

### The Fledge

Project based innovation is our driver for workforce development and entrepreneurialism. Through community interest we have launched dozens of clean energy projects producing resources available for the broader community.

### Elevated Engagement

Energy consultant seeking to 'building powerful connections for energy justice'.

### Lansing Regional SmartZone

A cooperative effort with the Michigan Economic Development Corporation (MEDC) to stimulate the growth of technology-based businesses in the Lansing Region.

### Lansing School District

A public school district serving Pre K - 12 in Lansing, MI. We serve over 10,000 students in 25 school buildings. Lansing, MI is a diverse community and our school district is reflective of the diverse cultures throughout the world.

### Board of Water and Light

The Lansing Board of Water & Light is a municipally-owned public utility that provides 58,000 water customers throughout the greater Lansing area.
