Chelsea Martin, Oakdale, TN 37829, martinc@mcsed.net, 423-369-3885 - Team Scribe

Darren Norris, Oak Ridge, TN 37830, denorris21@gmail.com, - Training Champion

**Mission Statement:**

The mission of Oakdale School is to create an environment that challenges students to be responsible, accountable, and productive citizens. Our mission with this grant is to put our words in action, in our building and with our students. Upgrading our facility with energy efficient materials and adding indoor air quality products not only improves the building we are responsible and accountable for but shows our students how they can be productive citizens in the future.

**Project Goals:**

Our goal is to install new drop ceilings in the hallways of our school. By doing this, we will be able to install a fresh air ventilation system. The drop ceilings will also cover exposed pipes and wires in the hallway that will improve the appearance and in turn increase school pride in our student body.
