

American-Made Energy Champions Leading the Advancement of Sustainable Schools (CLASS)

February 28, 2023

Christina Hunt, MS, MBA, QPA
School Business Administrator/Board Secretary
Montclair Public Schools

Summary Slide

Needs/Challenges – funding challenges to provide adequate training to our staff to turn-key information to staff to ensure energy conservation in our facilities.

Proposed Facilities to Address – majority of our schools are over 100 years old. Recently voter approved bond referendum of \$187.7 million to address aging infrastructure and districtwide HVAC upgrades.

- Schools to address: Glenfield, Hillside, Nishuane, Montclair HS, Renaissance, Bullock and Edgemont.

Team/Proposed Energy Champions – Tyreek Hunter, Director of Building & Grounds; Robert Kelley, Supervisor of Building & Grounds
