Building Automation Group
Chris Bernier
Roy West
Pat Terneus

Maintenance Masters and Techs
Delvin Dixon
Chris Clarke
Ricky Sullings

Facility Managers
Victor Duran
Jack Slack
Shawna Edwards

NEED/CHALLENGE

Denver & Jefferson County Air Quality
DAC and Title 1 Schools
>= 84% Free & Reduced Lunch
Older buildings
School closure leads to more bussing
School closure leads to higher occupancy
Budgetary constraints
Limited Maintenance Staff
New Energy Manager

IMPACT

Improved Air Quality at schools in under resourced communities

Reduced energy consumption and emissions directly where it impacts our students

Training that can aid our new Energy Manager

Training for interdepartmental staff that can be implemented across our large district

LASLEY ELEMENTARY
Hear Us Roar
