

Why Lansing School District?

Extraordinary Community Need

Asthma rates:
2/3 of schools in 90th %ile

Pollution:
>50% schools w/in 5km
of Superfund Site

Income:
79% FRPL

**District staff lack energy
management skills &
knowledge**

**Decades of deferred
maintenance**

Exceptional School District Commitment

- Full Commitment of District Leadership

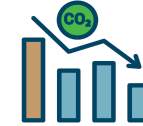

- New Sustainability Plan

- Ambitious 50MWh solar generating projects
- Flexible demand model
