

Community Solar Phase 1 Submission Package: Summary Slide

By serving Hispanic Communities in South Texas, we can tackle Equitable Justice within the renewable energy market head-on. This award will bring us several steps closer to achieving that goal, alongside our partners, featured below. We hope to complete this project within 3 phases, addressing those with the highest need first, and putting education and transparency at the forefront of our mission at every step of the way.

Phase 1, Y1: Counties of Interest	Phase 2, Y2	Phase 3, Y3
Bexar, Hidalgo, Jim Hogg, Starr, Nueces, Webb, Zapata, Zavala	Brooks, Willacy, Dimmit, Duval, Jim Wells, Kenedy, La Salle, Uvalde, Val Verde	Aransas, Bee, Edwards, Kinney, Live Oak, Maverick, McMullen, Real, Refugio, San Patricio

Required Budget to achieve 1M of Community Solar in South Texas by 2026:

Scaling Marketing Budget & Office Equipment - \$260,000

Travel and Accommodations Budget for Community Outreach - \$100,000

Hiring - \$500,000
