

## Coalition Changes

Southface Institute has joined the core coalition team to provide technical assistance, including renovation/retrofit training services to building contractors and Coalition members and a residential energy efficiency program design charrette.

Georgia Power, Home Depot, Lowe's, Atlanta Housing and Atlanta Tech are also now offering support with outreach, education and training.

## Justice40 Initiative Alignment

Coalition and partners address Justice40 DAC priorities #1 and #6; will eventually address #3, #5, and #8.

## Implementation Plan
