

Legacy Action Keeping Environment Sustainable

Leadership Team, L.A.K.E.S.

LEAD ORGANIZATIONS

GFE: developing energy self-sufficiency technologies for rural/remote locales since 2016

LCRE: renewable energy research center state-wide, established in 2007 at IUPUI

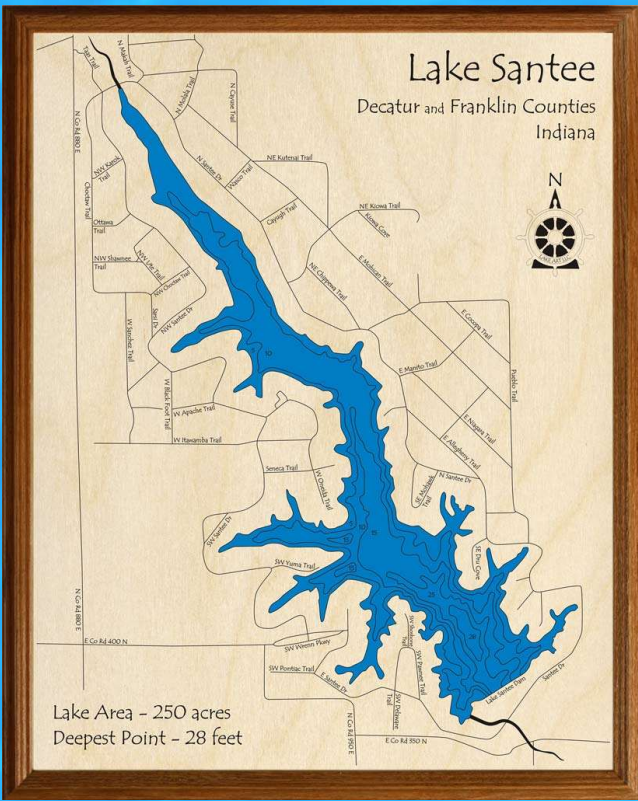

Peter Schubert
Team Captain

John Lecher
Lake Manager

Steve Knight
POA President

MISSION: Identify and overcome financial hurdles to clean energy implementation in rural communities in Indiana, apply methods to three representative **use-cases**, and select one as a demonstration project.

Use-case #2
Marina Complex near dam

Use-case #3
Multi-purpose Clubhouse

Use-case #1
Wastewater Treatment Plant
