

# Team

There are many skill sets required for our proposed partnership activities. We offer a team of consultants, project managers, engineers, electricians, roofers, and installers - each experts in their respective fields. We combine this experience with ESG investors who wish to fund renewable energy projects.

**QstN is the team lead.** QstN drives a more sustainable future through questioning convention. QstN is located in Des Moines, Iowa and offers consulting and integration services in the solar and energy efficiency industries.

**Fareway Stores Inc** is a growing Midwest grocery company currently operating more than 130 grocery store locations in Iowa, Illinois, Kansas, Minnesota, Missouri, Nebraska, and South Dakota. Fareway holds family values in the highest regard, demonstrating integrity, fairness, and honesty in relationships with customers, employees, vendors, and suppliers.

**Solar Design Studio** is an engineering, consulting, and construction firm that specializes in distributed generation comprised of solar photovoltaic, battery storage, and other power generation components to create micro-grids.

**Joel Fortney** is Co-Founder and Managing Principal of Stategy Capital LP which is an alternative investment management firm specializing in global macro strategies.
