

# Energizing Rural Communities Prize – ESG/Trimble County, KY

## Our Team

Team Lead Name: *Ryan, Baker (Energy Systems Group)*

Team Member 2: *Judge Executive John, Ogburn Jr. (Trimble County Fiscal Court)*

Team Member 3: *Rory, Seagert (Energy Systems Group)*

Team Member 4: *Bruce Biles (Trimble County Fiscal Court)*

## Our Mission

*Trimble County Fiscal Court has previously partnered with Energy Systems Group (ESG) to complete a County-wide LED upgrade. The project was a success and we are now looking to utilize this grant to springboard our continued energy efficiency efforts, introduce renewable energy projects, and fulfill community development needs*

## Our Plan

- *Establish continued partnership between ESG/Trimble County*
- *Develop and implement energy conservation measures*
- *Implement renewable technologies in the Community*
- *Complete Community Development Needs Projects*
- *Measure and Verify Results*
- *Duplicate Model Across Rural Communities*

***ESG is a leading energy services provider that helps customers across the country advance their goals by driving operational efficiencies and improving livability, workability, and resiliency.***
