

Energizing Rural Communities Prize

Phase One

Team CleanFi

A coalition of rural renewables funding solutions, enabled by fintech

Contact: Team Leader Philippe Hartley, ph@cleanfi.com, 323.646.8191, CleanFi.com, zipcode:91011

Location of Pilot Project: Crescent City Harbor District, Crescent City CA. 95531

Synopsis: An existing group of financing support organizations, experts in grants, financing structures and sources, and crowdfunding, create a fintech-enabled coalition to deliver structured financing options for a remote California fishing harbor, then for rural and remote projects across America. The coalition, Rural Renewable Energy Alliance Project, will evolve as a rural resource via a website, RuralREAP.org.
