

# Community-Owned Solar Innovation Fund (COSI Fund)

**Mini Grants**  
Early-stage mini grants for operations, organizing & novel approaches to community solar

3

4

5

**Replicable Models**  
Once piloted, a collection of innovative models and approaches will exist, and be available to replicate across rural, remote, and frontline urban communities.

**Flexible Recoverable Grants**  
Flexible recoverable grants to cover expenses related to innovations in community-ownership models

Let's use these models to build even more community-owned solar

1

**Capital**  
Financing & Tax Credits

2B

**Capital Partners**  
Facilitated finance partners

2A

**Bridge Loans**  
Bridge loans to cover the IRS direct pay portion of project costs

Support to leverage the tax credits and build our own solar projects
