EMBRYIA

Transforming the solar industry,
one EPIC startup at a time.

We are launching the Embryia Outdoor Lab in Dameron, MD, for conducting small-scale clean tech field pilot demonstrations. We have already signed a 5 year lease for the 32.2 acre property located in Dameron MD in the Mattapany Rural Legacy Area and Zoned as a Rural Preservation District for Agricultural use. We have conducted a feasibility study already about the land and the wildlife environment.
