

DAC Accelerator

Our Goal: Accelerate national innovations in DAC technology

Who We Are

gener8tor is a **nationally-ranked venture capital firm and accelerator** that brings together startup founders, investors, corporations, job seekers, universities, musicians and artists. gener8tor believes that everyone deserves opportunities, regardless of race, place or gender and **our mission is to be the best partner for a community to invest in its best and brightest.**

What We'll Do

- Invest in five innovative, DAC startups
- 12 weeks of programming in the heart of Chicago
- Connections with mentors, investors, and fellow innovators
- \$100,000 guaranteed investment from gener8tor
- Mentorship and technological assistance from the Clean Air Task Force
- Focus on underrepresented entrepreneurs

How We'll Do It

We **utilize individualize coaching, mentor meetings, weekly dinners, pitch nights, networking events with 500+ investors and access to larger partner communities to support our startups.** We introduce startups to mentors and investors in their space, hold customer discovery conversations and help make sales in order to determine the attractiveness of their value proposition to their customer base, pivot their value proposition or company when necessary, and attack growth goals once they find that product-market fit.
