

YW YOUWEB INCUBATOR

Helping founders excel through personalized mentorship

90s Video:

Website:

WHO ARE WE?

- High-touch startup incubator with a track record of success over 15+ years
- **\$200Mn+** raised from the venture capital community by YW portfolio companies
- Previous Sectors impacted: Social/Mobile, Gaming, AI.
- Latest cohort of incubations focused on climate tech, specifically Direct Air Capture

YOUWEB PORTFOLIO COMPANIES

PARTNERED WITH

INVESTED IN

YW IV CLIMATE incubating Direct Air Capture solutions that are innovative, cost effective, and scalable

OUR MINIMUM VIABLE PROGRAM (MVP)

Building the **southwest regional incubator center** that enables repeated:

- Recruitment of underrepresented entrepreneurs and early stage CCUS startups;
- Training and skill development in the DAC space;
- Advancement from R&D of CCUS pathways to implementation; and
- Proving commercialization of scalable DAC technology.

PLAN FOR IMPLEMENTATION
