

# Everyday Energy Heros

*Empowering People and Restoring the Climate  
while making homes more efficient, affordable,  
comfortable and healthy*

- ★ Providing Tier 1 and 2 energy efficiency upgrades for low income households
- ★ Collaboration with local governments, CBOs, Duke Energy and neighborhood groups to support clients in Justice 40 communities
- ★ Serving renters and owners in site built and mobile homes
- ★ Building upon 1000+ homes served in the past 5 years
- ★ Offering innovations in funding, volunteers, homes served, and community collaboration
- ★ Expanding capacity to serve more clients with energy efficiency upgrades
- ★ Passing the model to three nonprofits in the region with seed funding and coaching
