

# Retrofitting Massachusetts Public Housing

- Team: Largest Housing Authority in New England + Environmental Justice Advocates Join Forces to Retrofit Public Housing
- The Mission: Transform Public Housing to Improve Health, Reduce Emissions
- How it Can Be Done:
  - Scaled Energy Performance Contracts
  - Cooperative & Joint Procurements to Drive Down Costs for Public Projects
  - Model Building Typologies for Electrification Plus Envelope
  - Combine Utility Programs, IRA incentives + Pre-Apprenticeship Training
