

CREATE

Capital Region Electrification Accelerator & Training Ecosystem

TAP Inc. and our community partners have been restoring, rebuilding and revitalizing urban neighborhoods and historic structures since 1969.

OUR WORK is guided by **OUR VALUES**

INCLUSION

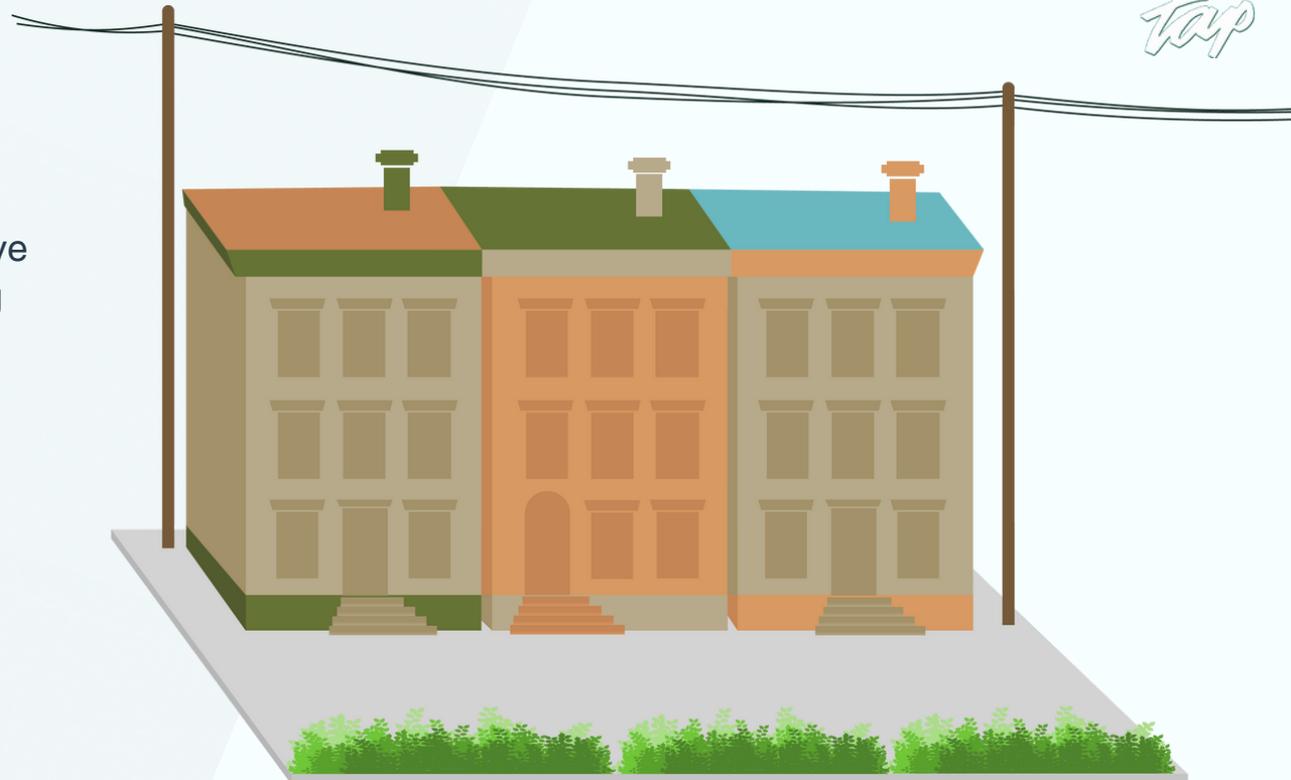

SUSTAINABILITY

EQUITY

QUALITY

What We Offer

- ✓ Energy efficient design
- ✓ Low-cost architecture
- ✓ Participatory design & planning
- ✓ Community recognition
- ✓ Shared knowledge & resources

TAP Inc. is the foundation of our Building Upgrade Zone's low-income, sustainably retrofitted homes

Model Expansion Points

- ⚡ Comprehensive building energy audits
- 📦 Bulk purchasing to reduce delivery time
- 💰 Financial resources for equity customers
- 👥 Workforce training with existing and new contractors

With the use of heat pumps, high R-value retrofits, thermal barriers, & Passive House design principles
