

Introducing the Community Clean Changemakers

Energy

Team

"We Build Up!"

Meet Team "We Build Up!" the Community Clean Energy Changemakers. We are a group of dedicated environmentalists committed to advocating for equitable environmental changes rooted in environmental justice that help save our planet and are accessible to marginalized and impacted community members. We are competing to win the HeroX Buildings Up prize by promoting innovative strategies to scale building upgrades that reduce greenhouse gas emissions contributing to climate change. We plan to provide energy efficient upgrades to over 1000 homes and businesses in Newport News, Virginia, Petersburg, Virginia, Essex County, Virginia and Baltimore City, Maryland.

Come join us and become

Community Clean Energy

Changemakers too!!!
