

# Disdaniel's challenge details for challenge: [Solar](#)

## [Prize Round 7](#)

Generated at Sun Sep 24 2023 19:05:54 GMT-0500 (Central Daylight Time)

### Explanation

Prototype Testing, Manufacturing, Business Development

### Key Needs

- Testing and Validation (3 / 5): I have built and tested prototype solar modules before
- Business Development & Commercialization (2 / 5): I have an MBA and some ideas of how to proceed, but I can certainly use help
- Manufacturing (1 / 5): Unfortunately, I have no experience with volume manufacturing.
