U.S. DEPARTMENT OF ENERGY

TEAM CBA

Community Benefit Agreement Generator

Technical Assistance Request

Legal Services

- Assisting in understanding the legal framework and regulations that govern community benefit agreements.
- Providing technical assistance in drafting clear, concise, and legally binding community benefit agreements.
- Foresee points of negotiations with developers or other parties to ensure the community's interests are protected.
- Reviewing existing CBA agreements to identify any potential legal issues or areas for improvement.
- Assisting in resolving any disputes or conflicts that may arise during the negotiation or implementation of the agreement.
- Helping to monitor compliance with the terms of the agreement, including any required reporting or audits.
- Providing training and capacity building to community members and leaders to understand and effectively participate in the negotiation and implementation of community benefit agreements.
- Assisting in the development of policies and procedures related to community benefit agreements.
- Conducting legal research to stay updated on any changes in laws or regulations that may impact community benefit agreements.
- Evaluating potential risks and providing strategies to mitigate them.
