

# PowerTechs

We build XR-Cockpits to solve a talent shortage in Clean Power

- by repurposing and upskilling workers from retiring to clean energy industries
- and by attracting / retaining younger generations

**Ksenia Solomatina**, CEO  
10+ years in EdTech & HR  
1 Successful Exit

**Dinara Ermakova**, SME  
15+ years in Nuclear  
Ph.D. from Berkeley

**Victor Kuznetsov**, Tech  
25+ years in Tech, AI, ML  
1 Successful Exit

**Anton Artemov**, SME  
25+ years in Gamedev, UX and  
Product Design  
Learning Engineering
