### Submission Summary Slide

Bridging Health Consultants LLC is a women owned, minority women owned small business dedicated to delivering high quality healthcare solutions to government agencies and business consulting services. Our diverse team, led by Dr. Ifeoma Okadigbo, Nneka Chidoka MSc, RN. We offer valuable customizable services to our clients to support their diverse environments, through innovative, responsive, and high-quality service that meets “Clients” needs. We specialize in healthcare administration, policy analysis, contract management, and technology integration. Our mission is to support government entities in achieving healthcare goals and improving the wellbeing of citizens. Building on our healthcare expertise, we embark on a transformative clean energy project. Our goal is to enhance education and access to clean energy in underserved communities, addressing health and environmental disparities. By contributing to the sustainable development of these communities but also address the pressing issues of energy poverty.
