

# RENEWABLE NEWARK LAUNCHPAD PILOT

---

- The Enterprise Center: 35 years of experience helping small businesses thrive in underserved communities.
- Project Location: Newark, New Jersey's largest city and a key transportation hub.
- Project Mission: Increase the number of local small businesses able to participate in green energy infrastructure projects.
- Project Details: The Renewable Newark LaunchPad Pilot is a comprehensive two-day workshop for Newark residents interested in starting a business in the green energy infrastructure space.
