

**Studio for Good**  
Climate-Tech Venture Builders

# Unparalleled Experience Incubating and Investing in Climate

## Our Approach

1. Identify exciting **carbon utilization** opportunity
2. Source the **best IP** from partnerships with DOE-funded labs
3. Build a **world class cofounding team** with the right expertise
4. Provide **\$1.4M in stage-gated capital** to each portfolio company to de-risk business and technology
5. **Partner with each company as a cofounder over 20 month period**, applying our proprietary deep tech venture building playbook

**130+ Incubations**

**98.3% IRR**

**18 IPOs**

**8 Acquisitions**

## Businesses that we've incubated prior

We've incubated over 10 hardtech climate businesses
