

The Deployment Engine

Built for innovators, by innovators to deploy industrialized construction solutions

Industrialized Construction

- + **Deploy IC hard-tech** to close 300K units affordable housing gap
- + Centrally located to **40% of US aff. housing need**
- + Unlock **growth capital** leveraging **100+** IC customers in TDE network
- + **Revitalize underutilized assets** (factories, rail, river)

Grown in Appalachia

- + TDE located at Marshall University's iCenter.
- + BridgeValley IC manufacturing workforce training facility
- + Build IC capabilities for **\$10B innovation economy** in Appalachia
- + **Technology Bridge** between Academia → Experts → Market

2023 Success

- + **EPIC Grand Finalist award of \$700k**
- + Secured **\$10.2M** in customer deal flow for our startups
- + **Positively impacting** our startups;
 - + **2x** customer acquisition
 - + **3x** increased business valuation

Expanded services offer earlier stage support
