Joliet Commercialization Coalition (JCC)

Joliet is a Resource Conservation and Development Priority Area . One of six Brownfields totaling nearly \$5.7 million for cleanup and revitalization projects in communities across Montana. We are expediting the assessment and cleanup of brownfield sites while advancing environmental justice through the Multipurpose, Assessment, Revolving Loan Fund, and Cleanup (MARC) Grant programs.

Partners: Northern Cheyenne Tribe, Beartooth Resource Conservation & Development, Montana State University Energy Research Institute, and Big Sky Economic Development. The United Steelworkers (USW), International Brotherhood of Electrical Workers (IBEW), IEEE Young Professionals, IEEE Power & Energy Society Women in Power Committee, and the IEEE PES Power System Operation
