

# Zero Waste

SAN DIEGO

## Who We ARE?

Zero Waste San Diego is a 501 (C) 3 that hosts a series of pop-up events called SD Fixit Clinic addressing local waste management issues by redirecting repairable waste from landfills and fostering a repair culture in San Diego County.

## What We Do & Who We Serve?

The SD Fixit Clinics promote economic empowerment, foster social inclusion and support for veterans, advocate for environmental justice and waste reduction, and improve cultural inclusivity and community resilience in disadvantaged neighborhoods.
