

Textile Recycling systems are overwhelmed.  
Our clothes don't have to keep ending up here.

# The Textile Incubator

*Local, Wholistic Solutions to a Global Crisis*

## **Swap, Borrow, Repeat:**

- Providing alternatives to fast fashion
  - Clothing Swaps
  - **The Fashion Library** - a service that enables any boutique to offer rental options.

## **Consumer to Consumer Supply Chain:**

- Leveraging simple, underutilized technologies to turn post-consumer waste into consumer products.
  - Skills and Market development for sustainable designers.
  - Providing upcycled alternatives to polyester (plastics-based) stuffing for hobby crafters.
