

Fortify Fleet

Book 1 on 1, virtual sessions with leading construction experts.

Expect a deep dive into the techniques that make low carbon construction possible. From practical advice about material reuse to strategic insights into cost, supply & installation, your expert session is a step towards standing out from the competition and winning the construction jobs of the future.

The screenshot displays the Fortify Fleet mobile application interface. At the top, the app name "Fortify Fleet" is visible. Below it, the heading "Connect with a Captain" is shown. A profile picture of John Shell, an Architect & Policy Advocate, is featured. The interface includes a progress bar with three steps: "Choose Appointment", "Your Info", and "Confirmation". Three appointment options are listed, each with a "Book" button:

Appointment Type	Duration	Price	Action
Short Call	15 minutes	@ \$150.00	Book
Regular Call	30 minutes	@ \$300.00	Book
In Depth Call	1 hour	@ \$600.00	Book
