

Tons of damaged clothing ends up in the landfill even if you donate it

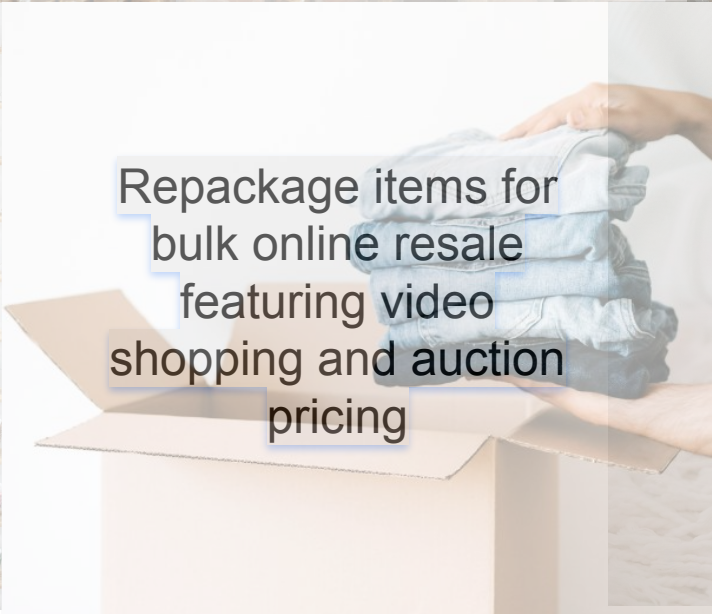

Thrifters leave behind items that need slight repair, washing, or design fixes

Most second hand clothing leaves urban stores and ends up in recycling centers or landfills without giving rural areas a chance

Extend the life of gently used apparel with repair, restoring, and customization services

Repackage items for bulk online resale featuring video shopping and auction pricing

Create sustainable jobs for rural Colorado & mobilize retail where clothing and consumer goods are historically underrepresented.
