

# DELAWEAR

- A fashion repair + retail platform.
- A learning lab committed to combating textile waste and overconsumption.
- Aligned with emerging “right to repair legislation”.
- Seeks to promote wearer agency by facilitating repair and reuse.
- Embraces the opportunity to redefine the relationship between users and fashion, one stitch at a time.
- Reduces waste and conserves resources but also mitigates climate change impacts.
- Promotes the well-being of communities through fashion that endures.
