

Work Vehicle

Securely store your tools
Haul long pieces of lumber with
over the cab open front option
Power your tools reliably no
matter where you are

Recreation

Have solar power for weekend
trips or longer
Enjoy standing room camper
after user friendly conversion
Silent, clean electrical power

Mobile Backup Power

Up to 10 kWh battery storage
Power critical home appliances
in the case of a blackout
Always have battery backup to
jump your dead car battery

Combining the best features
of a work topper and an
overland rig...

*This is the last camper
shell you'll ever need!*
