Problem: Can't compare of options, high upfront costs, regional constraints, complex permitting processes, and limited awareness

Solution: SolarPort is an online marketplace where customers can shop from a variety of manufacturers, installers, and developers. Customers can get quotes and connect solar carport contractors, manufacturers, and developers.

Team: Founder, Kevin Lanphere has 16 years of business experience and has worked for the worlds leading solar companies such as: Tesla Energy/Solar City, Cypress Creek Renewables, Treepublic Solar, Tradesman International, and Namaste Solar. He has also worked for top tech companies: Zones and Surepayroll.

Plan: Beta launch in the next 6 months, followed by a full launch within a year to expand network of installers, customers, and developers.
