

Tons of damaged clothing ends up in the landfill even if you donate it

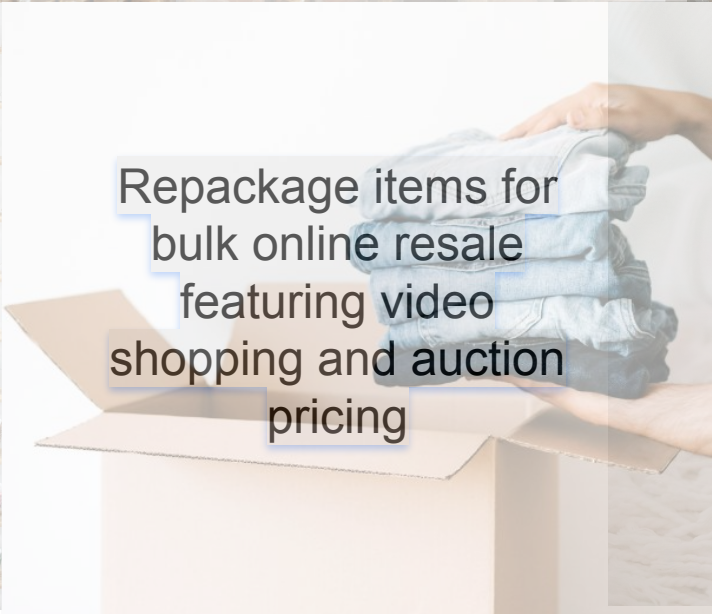

Thrifters leave behind items that need slight repair, washing, or design fixes

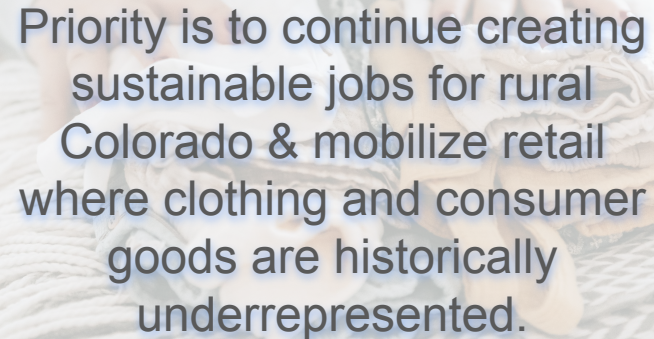

Design, Customization and Fitting are luxury services that have high demand due to limited availability in rural areas

Extend the life of gently used apparel with repair, restoring, and customization services

Repackage items for bulk online resale featuring video shopping and auction pricing

Priority is to continue creating sustainable jobs for rural Colorado & mobilize retail where clothing and consumer goods are historically underrepresented.
