CONSTRACK: Activating the Office of the Citizen on Constituency Projects

IDENTIFIED PROBLEMS

- Lack of inclusiveness, Transparency and accountability in design/execution of constituency projects
- Absence of verifiable data and status reports on constituency projects

1. Budget Review and Extraction of Constituency Projects for the fiscal year from the federal budget and those of the pilot states.
2. Advocacy/Stakeholder Consultative forum with Media & CSOs to seek their inputs and cooperation in the final design of Mobile App to be deployed.
3. Development & deployment of ConsTrack Mobile App
4. Recruitment of Constituency Trackers
5. Capacity building events
6. Create citizen dialogue (Social Media)
7. National awareness of project and Constrack App

1. Trackers' reports
2. Verification reports
3. Radio series
4. Print publications
5. Nationwide buzz on project

ORDERPAPER.NG OPERATIONAL HUB

- ❖ Ongoing Monitoring & Evaluation
- ❖ Periodic Programme Reports
- ❖ Constant Awareness on the Mobile App

OUTCOMES/SUCCESS

1. Transparency in Constituency Projects
2. Accountability/Inclusiveness in Constituency Projects
3. Empowered Citizenry
4. Verifiable Database of Constituency Projects
5. Budgetary Reforms/OGP principles

Stakeholders Round Table where final harmonized reports across the three pilot states will be presented, deliberated and adopted.
- CONSTRACK Score Cards
- Prompt for Anti-graft Agencies
- Resources for Media, CSOs etc
- Reform Pitch for Parliament/MDAs

1. Data submission by Trackers and verification by independent Verifiers as part of Ongoing Monitoring & Evaluation
2. Discussion and Engagement series – Radio, Social Media, etc
3. Publication of findings in the print media for extensive discussions and engagements
