

# MEET GRIFF, AMERICAS FIRST SOLAR POWERED TOUR BUS

BY AWAKEN ENERGY LLC - AN INDEPENDENT AMERICAN CONSULTING COMPANY.

**Electric box truck + Solar = GRIFF**

**A dedicated mobile solar learning lab which will create 1.21 Gigawatts of solar power in America. Tour accomplishments to include:**

- **Promotion of American made solar products.**
- **Creation of interested client lists for top local solar providers.**
- **Educational lectures delivered to Universities and schools (all levels).**
- **Revenue creation through donation, product sales, and lead generation.**
- **Increased application of modern energy conservation products & principles.**

**Griff will serve to influence the solar market in America, with a focus on rural communities, resulting in ~5,000+ solar projects per year and millions of dollars in decreased energy costs.**

**COMING SOON TO A TOWN NEAR YOU! SCHEDULE ONLINE - [AWAKENSOLAR.COM](http://AWAKENSOLAR.COM)
