

## **WATER RESOURCE RECOVERY PRIZE**

Water Warriors Poseidon™ pellets adsorb harmful contaminants from water – Nitrogen and Phosphorus. Once the pellets reach nutrient capacity they can be used as fertilizer, returning the nutrients to the land, a responsible re-use of a diminishing resource.

## **TEAM**

Dr. Rakesh Govind – [rgovind@waterwarriorsinc.com](mailto:rgovind@waterwarriorsinc.com) <https://www.linkedin.com/in/rakeshgovind/>

Steve Chamberland – [schamberland@waterwarriorsinc.com](mailto:schamberland@waterwarriorsinc.com) <https://www.linkedin.com/in/steve-chamberland-b7988116/>

John Gradek – [jgradek@waterwarriorsinc.com](mailto:jgradek@waterwarriorsinc.com) <https://www.linkedin.com/in/john-gradek-206a591/>

## **PARTNER**

Chemung County Sewer District, New York
