

Inverter Health Scanner Technical Summary

PowerBrain technology fuses the Edge with the Cloud for predictive health optimization

Feature

- Real-time results
- Non-invasive LIVE test
- Manufacturer agnostic
- Mobile EKG
- Stationary Pacemaker

Benefit

- Timely intervention
- Easy workflow integration
- Any inverter, any age
- Holistic system health analysis
- Automated, rule-based intervention

U.S. DEPARTMENT OF ENERGY

Protected by U.S. patent 9,880,228B2, international patent(s) and patent applications
